Hi Ankit,

Thank you for your interest in the Web Development work at our event TEDxNIITUniversity to be held in January.  
Taking this process further, we request you to send in your updated resume along with an updated portfolio highlighting your knowledge in Website Development.

Looking forward to your response.

Akshaye Khanna (Organizer)

Hello,

You can find my resume and portfolio at: <http://ankitpahuja.me/>

I am well versed with the following technologies that favour web development: HTML, CSS, JS, PHP + Some frameworks and libraries that boost up the coding work.

I would like to hear back from you.

Thanks  
Ankit

Hi Ankit,

Congratulations!! You are selected to build a website for TEDx event .

We would like you to start working on it ASAP and keep us informed about the progress.

Regards  
TEDx Niituniversity.

Sir,

I have laid down how the process is to be going up for development of your project.

Please let me know, if things are perfect in the attached DOC.

Note: This doc is a standard doc that is prepared as per IEEE standard doc.

Thanks  
Ankit

Ankit,

*The project is going at good speed the website the tedx website which is running at the moment need certain upgrades and and the details and content for the same will be communicated to you . For the mean time work on the layout and color scheme of the page it should be in harmony with the theme (red+black).*

Regards  
TEDx Niituniversity.

It's good to hear that.

Moreover, I have made major changes in the site and blog is also live and I will get the content team aligned and will start to post blog posts from today only!

Also, we are in need some good graphics so as to make the site more beautiful. Can you please share the credentials of shutter stock as provided by TEd?

I would like to hear back from you.

Thanks  
Ankit

okay i will inform you once the newsletter functionality is completed. Shouldn't take more than 2 days!

And, we have put up few articles in the past on the blog - please check that!

Thanks

Thu, Nov 16, 2017 at 9:23 PM

Okay. I will soon share the reports.

Plus, how do you want the newsletter pop-up to come? I mean should it cover a complete webpage or just a part of it?

Thanks  
Ankit

Hi,

Please check the blog at: <https://blog.tedxniituniversity.com/>

Newsletter pops up once for a customer. If he avoids to take it - he might not see it again in 1 day.

Thanks  
ANKit

To: Ankit Pahuja <ankit.pahuja@st.niituniversity.in>

for now it fulfills the requirements we want to spread awareness hence it serves the purpose well.

in later stages we will supply you with the proper logo.

Sat, Nov 25, 2017 at 1:11 PM

Hi,

Adding features like auto-complete of emails to a subscriber menu is not possible since we don't have access to gmail's server/database.

Rather we can enable the option of auto-filling in the text box.

Thanks  
Ankit

Sun, Nov 26, 2017 at 5:31 PM

Yes. Thank you.

With this, I say this product to be complete. We just have to add few external links as "buy tickets" and sponsors so as to have a complete it. Once you set up bank account and Authorize 3rr party payment gateway. I will add them.

I would like to know your thoughts.

Thanks

Ankit,

It was a delight to work with you and your team for the course of this 5 month period . We are satisfied with the product you have developed for us .

As for the remaining information left out such as speaker info payment gate way , will contact you as soon as the prerequisites for the same are fulfilled.

This has been a great journey and we hope that maybe in the near future we could collaborate again and make even grater things happens.

*Regards*

*TEDx Niituniversity.*
